2 BACKGROUND & OBJECTIVES OF THE PROGRAMME AND PRIORITY ISSUES

“ARTIVIST STAFETË” is a project funded under the grant for Support to Active Citizenship by the European Commission **and is funded by the European Union. The project is implemented locally** by OMSA Albania and ACT for Society Center, in partnership with Dutch organizations MasterPeace and Stichting art.1.

Based in Amsterdam, Stichting art. 1 is dedicated to the visibilization and inclusion of minorities through the arts. By providing trainings in activism and non-formal methodologies, the organization seeks to provide tools and channels for sidelined voices to join mainstream narratives and democratic participation.

This project aims to (i) improve the environment for the active citizenship and civic participation by providing civil society sector organizations (CSOs) with tools to grant marginalized groups and side-lined voices in Albania with instruments to infiltrate the mainstream narrative and democratic dialogue at a local, Albanian and European level. Furthermore, the project seeks to stimulate activism through capacity building, and by creating a nation-wide network of civil society organizations advocating for increased democratic representation of minorities. Therefore, the Artivist Stafetë Project **relates to several priority sectors and themes; specifically:** Democracy and government; Competitiveness and innovation;

Access to quality local public services and policies for groups most at risk of vulnerability, including children and youth in the post-Covid-19 context; Human Rights (women, children, LGBTQIA+, minorities, elderly, non-discrimination, freedoms etc.); Employment, support to social businesses, inclusive education, particularly if related to post; COVID19 crisis; Justice, integrity, fight against corruption; and Local development.

All activities within the action are therefore geared towards strengthening the CSO sector by:

- 1) granting it theoretical/practical skills in cross cultural project management, thus facilitating collaboration and best practice exchange with prospective partners in the EU.

- 2) Granting practical skills in soft skill methodologies (podcast, film, storytelling, activism), related to creative expression and communication, thus facilitating actors in the field to bypass censorship and infiltrate the mainstream narrative, in turn increasing democratic representation.

- The cycle will host a series of activities during the duration 3 months which includes:
- Hosting trainings: on four methodologies (podcast, filmmaking, activism and Walls of Connection)
- Creating a safe open space as a temporary (one month) creative hub as a physical space for participants to create their artistic productions.
- Creating different cultural presentations that showcases the artistic work of participants which includes (Film Festival, Femme Salons (TEDx-styled talks), studio-recording of podcast, Walls of Connection and hackathons).
- Visibility actions, which includes campaigning and (social) media presence.

This Call for Application will be submitted later on also in other Regions, Elbasan, Diber, Vlora, Korce, Pogradec and Berat in the upcoming period.

This Call for Applications is addressed mostly to CSOs that operates in Durres Region.

Target group description and respective needs and relevance of action:

Target group 1: Local CSOs and grassroots active citizenship initiatives (CSOs)

Target group 2: Youth (18–30-year-old)

2.1 : Sub target Group : As its name suggests, the Artivist Stafetë project is anchored around the overarching methodology of activism: activism through the arts. Art is most often thought to be politically powerful because of its ability to reach new audiences in an intimate, sensorial way. We chose this methodology precisely given that our target groups (young women and young LGBTIQA

+) are minorities in Albania, marginalized from the mainstream narrative. By granting the Albanian civil society sector with soft-skill methodologies embedded in activism, the project seeks to grant participating CSOs with added advocacy power through the arts.

The total budget allocated for this Call for Proposals is

EUR 20 000

Min :18,500 EUR

Max:20,000 EUR

Objectives of the programme and priority issues:

Objective 1.

To strengthen and enhance the capacity of formally established CSOs and informal active-citizenship

This project is funded

2.1 To engage, connect and empower youth and women through CSOs and grassroots active citizenship initiatives through: the activism methodology (activism through art), granting them non-formal tools with which to express and share their social, economic, and political concerns and ideals – thus empowering them to become active actors in policy-shaping and decision-making processes (on a local, national and EU level).

Successful applicants will work in close collaboration with OMSA Albania and ACT FOR SOCIETY CENTER

Provisional selection

After the evaluation, a table will be drawn up listing the applications ranked according to their score. The highest scoring applications will be provisionally selected until the available budget for this Call for Proposal is reached. In addition, a reserve list will be drawn up following the same criteria. This list will be used if more funds become available during the validity period of the reserve list.

Any rejected application will be replaced by the next best placed application on the reserve list that falls within the available budget for this Call for Proposals.

STEP 4: FINAL EVALUATION

The applicants who have received the best assessment and score will be announced as winners by the Sub Granting Authority.

The Program Management Team gives final approval of the winning projects based on a ranking list coming as a result of:

- The administrative/eligibility assessment of the proposal;
- The evaluation of the proposed action.

The final Evaluation Report, including the results of the above, will be prepared and signed by each evaluation committee member, and will be sent to the European Union Delegation (EUD) for a “no-objection opinion”.

Once the “no-objection opinion” by the EUD is received, the applicants will be notified about the final results of the process.

STEP 5: NEGOTIATION AND CONTRACTING STAGE

The Sub Granting Authority, prior to signing the contract, reserves the right to negotiate with the applicant in order to:

- Ensure cost efficiency of the action;
- Ensure a fair balance between operational and non-operational costs;
- Reflect real market costs;
- Reflect costs in accordance with proposed activities.

The points of negotiation should in no way change the substantial part of the proposed action, but rather be in line with the administrative/financial/HR/programmatic rules of the EU and of the Sub Granting Authority.

After reaching an agreement, the sub grant contract will be signed between the relevant applicant and the Master Peace .

In addition to signing a code of conduct of running a safe space ‘Code of Conduct of Creative Hub’ as an obligation by the contracting authority
